

CENTRAL DENMARK REGION EMERGENCY CARD

Choose the right kind of assistance – and get the right treatment

General practitioners

General practitioners' (GPs) surgeries are open 8 am to 4 pm Monday to Friday. Contact a GP in the event of sudden illness – on holiday, for example. The nearest GP is listed in the phone book under “Læger, praktiserende”. The GP will refer you to Accident & Emergency if necessary.

After-hours medical assistance – Tel: +45 7011 3131

After-hours medical assistance is available 4 pm to 8 am Monday to Friday and 24 hours a day at weekends and on public holidays.

An after-hours doctor is available after GPs' surgeries close. Call the after-hours doctor in the event of sudden illness or if your condition worsens. You will speak to a doctor who will decide whether or not you should attend a medical unit. In special circumstances the doctor may visit you at home or call an ambulance.

You must have an appointment with the after-hours doctor to visit the after-hours medical unit, so please do not leave home without calling first!

Emergency (ambulance) – Tel: 1-1-2

In the event of accident or life threatening situations, call 1-1-2.

Accident & Emergency (A&E)

In the event of injury, involving e.g. broken bones or severe bleeding, and need to be treated at Accident & Emergency, you must first contact a doctor. During the daytime you should call a GP. After 4 pm, at weekends and on public holidays, call an after-hours doctor on +45 7011 3131. The doctor will refer you to A&E if necessary.

Accident & Emergency departments are at the following locations:

Regionshospitalet Holstebro (Open 24 hours)
Lægårdvej 12, 7500 Holstebro
