

# Treatment Planning System (TPS) and services for The Danish Center of Proton Therapy (DCPT)

## Appendix 14: Questions & Answers (Q&A) form

No.	Section and page no. or drawing to which the questions refers	Quote of the text to which the questions refers	Question	Answer
1	1.1	Total # of concurrent users	Could we please confirm if the site would like the absolute total number of Con-current users is 26 or if it is all the milestones added together (6+13+26) =45 users by milestone 3?	<p><i>We can confirm that the total number of concurrent users after milestone 3 is 26 (Appendix 1, Time schedule, section 1.1).</i></p> <p><i>By mistake the expected delivery date for Milestone 2 has been specified as "jan-17". This should rightfully be "jan-18".</i></p> <p><i>A corrigendum of Appendix 1 is available on <a href="http://www.udbud.rm.dk">www.udbud.rm.dk</a></i></p>
2	Contract			<p><b>Additional information:</b> An addition to the contract has been made as a new section 2.4 concerning IT security and processing of personal data:</p> <p><i>"The supplier must comply with the applicable rules and the Customer's guidelines on IT security and processing of personal data. The supplier shall in connection with the conclusion of this Contract also sign the Customer's data processing agreement."</i></p>
