

**Itinerary for Site-visit for the tender: cyclotron, hotcells, switch, dispenser and Tc-99 LAF bench.**

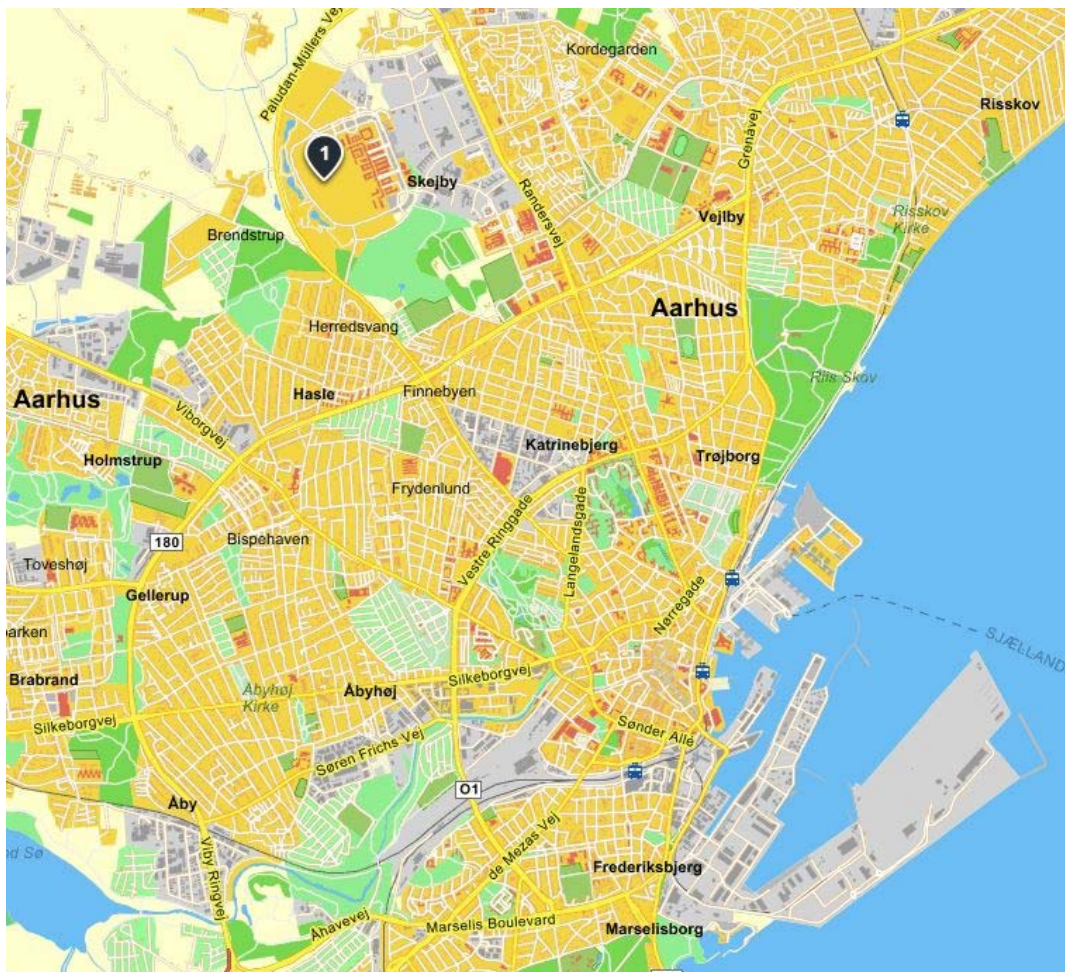

The site-visit will take place from 12.00-14.00 on October 27.

The site-visit will take place at the construction site for the new university hospital in Aarhus, located at:

“Skurbyen”

Herredsvej 163

8210 Aarhus V

Map showing entrance point and meeting point for the site-visit.

The site-visit is an opportunity to see the installation site, but there will not be any opportunity for demonstrating products related to the tender. There will be a possibility to ask questions directly related to the installation site, but all general questions regarding the tender must be in written form through the tender site.
